Summer Vacation and Special Programs Announcement (2024-25)

Dear Parents, Students, and Staff,

As we approach the summer season, we're excited to share the upcoming schedule for summer vacation, a dedicated summer camp, and specialized extra classes. Below are the details for each program, aimed at providing enriching and beneficial experiences for all our students.

Summer Vacation (Classes I to IX) Our summer vacation is scheduled from May 20, 2024, to July 07, 2024. We encourage all students from classes I to IX to enjoy this time off to relax, recharge, and pursue interests outside of the classroom. We look forward to hearing about your adventures and experiences when you return!

Summer Camp (Classes I to IX) We are thrilled to announce our engaging Summer Camp for students in classes I to IX, which will run from May 21, 2024, to May 30, 2024. This camp is designed to promote skill development, creativity, and social connections through a series of fun and educational activities.

Extra Classes (Classes X, XI, and XII) To support our secondary and senior secondary students, we are offering extra classes from May 21, 2024, to June 15, 2024. These classes are tailored to strengthen understanding in essential subjects and prepare students for the challenges of the upcoming academic year. We highly recommend taking advantage of this opportunity to enhance your learning and academic preparedness.

Thank you for your attention. We anticipate a summer filled with growth, learning, and fun at APS Kaluchak
